Academic Advisement, Division of Academic Affairs

Academic Advisement Major Code # 73
For an Associate in Science (A.S) Degree in Business Management

Business Management

➢ The Business Management Program provides training for students in entry-level, administrative positions in the private sector. The program also offers courses that may be transferred to a baccalaureate program, thereby allowing the option of further study for the Bachelors degree in Business Management.

➢ Candidates for the Associate in Science degree will be given substantial exposure to the field of administrative management. Functional areas in business are covered by courses in the principles of management, finance, marketing, and accounting. In addition, students will be given a strong grounding in legal aspects of business activity. Students will become familiar with basic concepts and applications of data processing to business problems.

➢ Courses have been selected so that transfers within the Department are possible between the A.S. in Business Management and the A.A.S. programs in Accounting and Microcomputers for Business, should a student elect to change within the first two semesters of study. MAT 160 Pre-Calculus and MAT 120 Introduction to Probability and Statistics are required for all students who are candidates for the A.S. degree in Business Management.

Criteria for Progression into the Business Management Program

➢ **For English-dominant students:**
    The student must be able to register in or have completed ENG 091 Core English and MAT 020 Elementary Algebra.

➢ **For Spanish dominant students:**
    The student must be exempt from or have completed SPA 121 Basic Spanish Composition I AND must be able to register in or have completed ESL 025 Intensive ESL Reading and Conversation II AND must be able to register in or have completed MAT 020 Elementary Algebra.
