IMPORTANT REMINDERS REGARDING
Writing Intensive (WI) requirements

♦ All students entering Hostos for the first time in Fall 2003, or thereafter, must complete two (2) WI course sections before graduation. These specially designed sections are designed to help students improve their writing skills along with their understanding of course material.

♦ If a student has completed or is taking ENG 110 (formerly 1302), they should take a WI section. Students may also take one WI section if they have a minimum English language proficiency level of ESL 91(formerly ENG 1300) or ENG 91 (formerly ENG 1301) as long as that section does not specifically require ENG 110 as a co/pre-requisite. WI courses do not need to be taken at the beginning of a college career, but students should try not leave them for the end.

♦ Writing Intensive course sections are listed in the Schedule of Classes. Students frequently register for the wrong sections, believing them to be Writing Intensive for the following reasons:

  o They believe that “Writing Intensive “ refers to ENG 110 & 111 (formerly 1302 & 1303)

  o They do not understand that, although multiple sections of the same course are offered only the section (WI) is Writing Intensive.
