

Job Description

Job Title:	Assistant Professor - Mathematics
Job ID:	17636
Location:	Hostos Community College
Full/Part Time:	Full-Time
Regular/Temporary:	Regular

FACULTY VACANCY ANNOUNCEMENT

The Department of Mathematics at Hostos Community College of The City University of New York invites applications for a tenure track position at the rank of Assistant Professor to begin in Fall of 2018. The Mathematics Department specifically seeks applicants with an interest in teaching, research and the capacity to participate in student guidance, curriculum development as well as other tasks normally associated with a full-time teaching position.

Hostos Community College is located in the Bronx and the diverse faculty of the Mathematics Department works closely with students and each other in an open and collegial atmosphere. Hostos has both a teaching and a research mission and the candidate will be expected to teach core undergraduate and developmental mathematics courses as well as electives within their area of research and share responsibility for committee and other departmental assignments.

QUALIFICATIONS

Ph.D. in Mathematics. Also required are the ability to teach successfully, demonstrated scholarship or achievement, and ability to cooperate with others for the good of the institution.

Candidates should have a record of scholarly publications commensurate with the rank of Assistant Professor.

The following qualifications are preferred:

- Experience and interest in teaching mathematics to undergraduate students from diverse backgrounds in an urban setting
- Experience developing, coordinating and teaching developmental and introductory undergraduate mathematics courses
- Availability to work evening and weekend hours
- Bilingual skills is essential

COMPENSATION

Salary for this position commensurate with education and experience.

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

HOW TO APPLY

Applicants must apply online by accessing the CUNY website at www.cuny.edu and navigate to the following links: "Employment" and "Search Job Postings"

Please attach a CV, a statement of scholarship interest and a statement of teaching interest.

Candidates will have to provide two reference letters upon request.

CLOSING DATE

Open until filled with review of applications to begin November 30, 2017.
