

Job Description

Job Title:	Lecturer - Mathematics
Job ID:	13585
Location:	Hostos Community College
Full/Part Time:	Full-Time
Regular/Temporary:	Regular

FACULTY VACANCY ANNOUNCEMENT

The Mathematics Department at Eugenio Maria de Hostos Community College is seeking a full time Lecturer position. The Lecturer will also serve as Supplemental Instruction (SI) Coordinator responsible for overseeing and developing courses in collaboration with the Chair. The mission of the program is to assist students with historical difficulty in mathematics courses by providing group mentoring by student Peer Leaders (PL's) to facilitate student success. The purpose of this position is to provide guidance to Peer Leaders in conducting SI sessions and assessing the success of the program each semester.

Duties include the following:

- Teaches SI courses in developmental math as needed.
- Designs and maintains training materials.
- Collaborates and communicates with teaching faculty and administrative staff on matters related to SI including the implementation and effectiveness of SI.
- Chairs SI faculty committees.
- Develops, implements, and updates SI policies, goals and objectives as needed.
- Collaborates with chair for MAT 10 and MAT 20 developmental courses related to SI.
- Oversees and trains Peer Leaders.
- Performs related program administrative duties.

QUALIFICATIONS

Bachelor's degree in area(s) of expertise, and the ability to teach successfully.

Preferred Qualifications:

- Master's degree in Mathematics or Mathematics Education
- Two years' experience teaching adults or non-traditional students in a college setting
- Experience working with diverse student populations
- Knowledge of SI model with experience as an SI faculty member and/or SI coordinator
- Experience in successfully managing, planning, executing and evaluating tutoring (SI) programs
- Ability to establish and maintain effective working relationships with students, faculty and staff
- Knowledge of best practices relevant to academic support and classroom pedagogy for remedial development mathematics
- Demonstration of positive attitude, diplomacy, tact, and courtesy
- Bilingual skills in English and Spanish
- Availability to work evening and weekend hours

COMPENSATION

Salary commensurate with education and experience.

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

HOW TO APPLY

Applicants must apply online by accessing the CUNY website at www.cuny.edu and navigating to the following links: "Employment" and "Search Job Listings"

Please attach resume, cover letter, and the names, addresses, and telephone numbers of three professional references.
