## 2017-2022 STRATEGIC PLAN FRAMEWORK OPEN FORUMS – MAY 3 AND MAY 4, 2017

To: The College Community  
From: David Gómez, Ed.D.   
President  
Subject: 2017-2022 Strategic Plan Framework  
Date: April 20, 2017

---

Over the last several months, Hostos has actively sought College-wide feedback on its Strategic Planning Process. I was truly heartened to see the broad-based engagement and the richness of the feedback we received. It's a testament to the culture of inclusion we foster at Hostos, and demonstrates an extraordinary commitment to the institution.

The Strategic Plan Committee has now synthesized the data (observations, suggestions, concerns, recommendations, and empirical data) and crafted a draft of the Strategic Plan framework.

A second round of forums is planned to provide you with an opportunity to share your views on the framework. Does it make sense for Hostos? Does it need rethinking? We want your opinions! These forums will be held on:

**Wednesday, May 3 and Thursday, May 4, 2017**  
**3:30 - 5:00 PM in the Hostos Café**  
**Doors will open at 3:00 PM for coffee**

My thanks to all who provided feedback during the research and outreach phase of the process. I urge you to join us and share your thoughts and suggestions on our Strategic Plan framework. As we complete the new SP, please stay engaged. Your input is very valuable. The plan will outline future priorities, but each year the campus community will exercise leadership in defining actions to be taken.

The plan is to unveil the 2017-2022 Strategic Plan in October as part of the State of the College Address. Please stay tuned...
