

V3-Independent Student

Your 2015–2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification". The Financial Aid Office at your college must compare information from your FAFSA with information you provide on this worksheet and with any other required documents. If there are differences, your Financial Aid Office may require additional documentation and your FAFSA information may need to be corrected. You may not receive federal financial aid until all verification requirements are met and the necessary corrections made.
