999999	\$0.00	\$0.00	\$0.00	\$0.00

USING THE PELL AWARD CHART

To use this chart, you need to know your Expected Family Contribution (EFC) and your enrollment status. Your EFC# can be found on your SAR which you can see by logging on to your FAFSA account (www.fafsa.ed.gov). To calculate your awards based on your enrollment status, follow the instructions below.

- 1. Locate your EFC # on your paper or electronic SAR.
- 2. On the Pell Grant Award Chart, look at the left hand column labeled "EFC" and find the range of numbers containing your particular EFC.
- 3. The columns to the right represent awards based on an enrollment status. Move across the same row as your EFC range until you find the column with your enrollment status. The amount shown there will be your calculated Pell award for the semester.

ENROLLMENT STATUS DEFINITIONS

Your award amount is pro-rated each term according to your enrollment status:

- Full-Time = 12 or more credits
- Three-Quarter Time = 9 11.5 credits
- Half Time = 6 8.5 credits
- Less than Half-Time = 1 5.5 credits

DISBURSEMENT INFORMATION

There are two options of payment of your remaining Financial Aid funds after tuition has been covered:

- (1) Check, sent by post office mail
- (2) Direct deposit to your bank account or prepaid card.

If you have chosen direct deposit to your bank account or prepaid card as your method for disbursement/receiving payment, your remaining Pell Grant funds will be available in your chosen account on the scheduled dates (dates to be determined). Otherwise, your Fall and Spring semester remaining funds will be mailed to you by check to the address listed on your FAFSA application on the scheduled dates.

PELL ADVANCE

After your tuition and fees have been paid, you may use your remaining Pell funds to purchase books, school materials and other college costs. To be Eligible for the Pell Book Advance, Students must:

- * Have filed a FAFSA application and be eligible for the Pell Grant
- * Have enrolled classes and have their bill cleared for the semester they will be attending
- * Have remaining Pell Grant funds of at least \$50 after tuition and fee charges are covered.
- * Meet the deadlines

ATTENDANCE

Federal student aid is awarded with the expectation that you will attend school for the entire period for which your Financial Aid was intended. To qualify for any Financial Aid payments, you must actually begin and continue to be in attendance of your courses. The College uses your instructors' records to confirm whether or not you have been in attendance. We will verify your enrollment status with the Registrar department. If you receive a completion grade in any course not included for payment in your Pell Grant check, you may request an award recalculation at the end of the semester. If you receive a Financial Aid payment but know you haven't attended any of your classes, you must return that payment immediately to the college.

WITHDRAWALS

Federal regulations specify that you must attend at least 60% of the semester before you become eligible for 100% of your <u>federal</u> student aid awards for that term. If you withdraw from all your classes before you have completed at least 60% of the semester, the College must determine what portion of your federal awards you are entitled to receive according to an attendance formula prescribed in federal regulations.

OVERPAYMENTS

If you have received, or the college has received on your behalf, more federal student aid funds than the formula allows, or if you have been overpaid due to a recalculation of your awards because of a change in enrollment status including withdrawal of your courses, you will have to repay any award amount to which you were not entitled.

POST-WITHDRAWAL DISBURSEMENTS

If you withdraw from your classes before the scheduled disbursement of your Federal Pell Grant, you may be eligible to receive a pro-rated award payment based on the number of days you attended classes up to the date you withdrew. Once you are determined eligible for a pro-rated Pell Grant disbursement, you will be issued that disbursement by check or direct deposit to your account.

PAYMENTS FOR REMEDIAL COURSEWORK

You may not receive federal award payments for more than 30 hours of non-credit remedial course work. This restriction does not apply to English as a Second Language courses.

SATISFACTORY ACADEMIC PROGRESS

In accordance with Federal guidelines and University policy, you must be making satisfactory academic progress in your program of study in order to remain eligible for federal award programs. You will be measured for satisfactory academic progress at least once each year after the Spring term and notified by mail in early June if you are found not to be meeting the progress standard. Copies of these satisfactory academic progress guidelines are available from the financial aid pages of the College's web site at: www.hostos.cuny.edu/ofa

Pell Lifetime Eligibility Usage

Students are limited to twelve or the equivalent of twelve full time PELL payments (600 points). Each payment disbursed as a full time student will be counted as 50 points. To view how many points you have accumulated, visit www.NSLDS.ed.gov.

Tap is limited to eight or equivalent of eight payments (48 points) as a full time undergraduate student. Each TAP payment as a full time student is counted as 6 points. There is also a limit of six full time TAP payments at any two year college in which case the student may receive the remaining two full time payments at a four year school provided the student is meeting all of the TAP program requirments
