PLEASE READ! IMPORTANT IMMUNIZATION REQUIREMENT INFORMATION!

Part of our responsibilities is to maintain compliance with Public Health Law 2165, which requires all students born after 12-31-1956 to present proof of immunizations against Measles, Mumps and Rubella. YOU MUST COMPLETE THE IMMUNIZATION REQUIREMENTS TO REGISTER FOR YOUR CLASSES. The immunization requirements are as follows:

1. Proof that you received 2 doses of MMR.
2. Completion of the Meningitis response form. You do not need the vaccine to come to Hostos, but you do need to fill out the form regardless if you obtained the vaccine or not.

Acceptable Immunization Proof:
- Your yellow card or any card from your doctor
- A signed and stamped printed record or lab report from your doctor
- A printed vaccination record from your high school

If you cannot locate your immunization documents you can do one of two things:
1. Go to your doctor and ask for a blood test to determine if you received the MMR vaccine. The blood test must be signed/dated/stamped by your doctor.
2. Go to the Department of Health and receive the vaccine. They will administer the first MMR dose to you and then 30 days later you must return for the second dose.

Department of Health Location
Fort Greene Health Center: 295 Flatbush Ave. Extension– 5th Fl., Brooklyn, NY 11201
OPEN: Monday-Friday 8:30-2:00

Your immunization process is not complete until you fill out the Meningitis response form. NOTE: if you are under 18, your parents must sign the meningitis form and provide a copy of a valid photo ID (driver’s license).

BRING YOUR PROOF OF IMMUNIZATIONS TO ROOM D-101-E OR A-334-C AS SOON AS POSSIBLE!!!!!
