DREAMGIRLS | ON SALE NOW!

Tickets for the premiere of the new national tour of **DREAMGIRLS** are on sale now. *Launching* at the legendary **Apollo Theater** for a four-week limited engagement, the show will run November 7 through December 5, 2009.

An important part of the Apollo's legacy has been its history as a launching pad and nurturer for generations of artists. With its opening scene set at the Apollo, **Dreamgirls** is the story of "The Dreamettes," a trio of young singers from Chicago who enter Amateur Night in hopes of launching their show business careers, making the Apollo the perfect place to launch the national tour of this Tony Award-winning Broadway show.

Full of onstage joy and backstage drama, **DREAMGIRLS** tells the rags-to-riches story of a 1960s Motown girl group and the triumphs and tribulations that come with fame and fortune. **DREAMGIRLS** is directed and choreographed by **Robert Longbottom** with co-choreography by **Shane Sparks**, scenic design by **Robin Wagner**, costume design by **William Ivey Long**, and lighting design by **Ken Billington**, and is produced by **John Breglio** for **Vienna Waits Productions**.

For more information and a complete performance schedule, please visit the official **DREAMGIRLS** website at www.DreamgirlsOnStage.com.
