meseta..., patagonia..., esa piel...

El paisaje sugerente  
y sensual de la meseta,  
la soledad e inmensidad  
de la Patagonia,  
la soledad e inmensidad de esa piel;  
la sensualidad y paz  
de los cuerpos en reposo.  
La quietud de la espera,  
la calma, el silencio.  
La tierra que espera,  
la virginidad de la soledad...,  
en calma..., en reposo..., sin tiempos,  
sin proyecciones, sin ansias;  
suspendidas en el universo,  
en éste mi universo.

Plateau... Patagonia... this skin...

The suggestive landscape and the sensuality of the plateau,  
the loneliness and vastness of Patagonia.  
The solitariness and immensity of this skin;  
the sensuality and peace of bodies at rest.  
The quietude of the wait, the calmness, the silence.  
The land that waits, the purity of the loneliness...,  
in calmnes..., in rest..., timeless,  
without future plans, without anxieties;  
Suspended in the universe, in this... my universe.
