Virtual Career Fair

OAK RIDGE INSTITUTE
FOR SCIENCE AND EDUCATION

**Are you an undergraduate, graduate,
postgraduate, or faculty member
looking for a paid internship or
fellowship opportunity?**

Join the Oak Ridge Institute for Science and Education (ORISE) for a virtual career fair showcasing a variety of internship and fellowship programs with the Department of Energy, the Department of Homeland Security, the National Nuclear Security Administration and the National Science Foundation.

We will have presentations and program representatives for one-on-one chats throughout the event. You don't want to miss it!
