Higher Education Reopening Plan | NYS Department of Health

Higher Education Reopening Plan Submission Portal

Pursuant to the Department of Health's *Interim Guidance for Higher Education During the COVID-19 Public Health Emergency*, higher education institutions must prepare and submit plan(s) for reopening and operating during the ongoing emergency. Plans should reflect engagement with campus stakeholders, including but not limited to administrators, faculty, staff, students and, where appropriate, affiliated organizations (e.g., union, alumni, and/or community-based groups). Specifically, each institution must develop and submit a plan that, at a minimum, covers: (1) repopulation of the campus, (2) monitoring of health conditions, (3) containment of potential transmission of the virus, and (4) shut down of in-person operations on the campus, if necessitated by widespread COVID-19 transmission.

Private and other non-public higher education institutions should use the following submission form to submit their plans. State University of New York (SUNY) and City University of New York (CUNY) institutions should submit their plans to their respective chancellor's office and should not use this submission form. For additional information, please consult the interim guidance.
