Capstone Course			3
Free Electives			0-4 <sup>7</sup>
<b>Total Credits for Degree</b>			<b>60</b>
<p><small>1 STEM courses of four credits (designed for math related fields) will fulfill core requirements for Mathematical and Quantitative Reasoning category.            2 STEM courses of four credits (designed for Science related fields) will fulfill core requirements for Life &amp; Physical Sciences and the Scientific World categories.            3 The Flexible common core features six liberal arts and sciences courses, with at least one course from each of the five listed areas, and no more than two courses in any discipline or interdisciplinary field. Course menus are subject to modification as additional courses may be added. Students should consult their advisor to determine current menu offerings.            4 Students who complete a STEM variant science course (designed for science or health related fields) or a sequence in the natural sciences, or any other course in the natural sciences that fulfills the LPS or SW requirements, are exempt.            5 Course list is based on departmental liberal arts offerings including courses that are prerequisites for entry into concentration or major requirements. Students who enroll in a modern language discipline should complete a two-semester sequence.            6 Students may complete approved foundation courses that articulate with senior college degree concentrations to ensure effective transfer. While completion of a concentration is encouraged, students may pursue an elective option. The concentrations are illustrative and additional offerings are under development. Students should consult an advisor to determine specific requirements for entry into program majors.            7 Students who complete prerequisites of foundation courses in a concentration through the flexible core may select additional electives from the clustered disciplines (i.e. humanities, arts, modern languages, behavioral social sciences, historical studies, public affairs) or the free elective category.</small></p>
