

**July 11, 2022 – August 19, 2022**

**MA 30 is our Online Bridge to STEM Workshop. The intervention will utilize ALEKS learning software, which is a self-paced software, which will give students the tools needed to succeed in MAT 150 and beyond.**

**This workshop is intended for students who passed MAT 100 SI, MAT 100, MAT 105, MAT 19/119, or MAT 120 and want to go into the STEM track (interested in taking MAT 150).**

**For more information contact the Math Department or Karina Castro**

**Email: [Workshopinfo@hostos.cuny.edu](mailto:Workshopinfo@hostos.cuny.edu)**

**Register through CUNYFirst**
