

# HOSTOS COMMUNITY COLLEGE MATHEMATICS AND COMPUTER SCIENCE SCHOLARS PROGRAM

## ABOUT MACSS

The Mathematics and Computer Science Scholars program (MACSS) at Hostos is implemented to increase the access and success of low-income and academically talented undergraduates in Mathematics or Computer Sciences majors by awarding scholarships to qualified students. MACSS aims to increase students' degree completion by providing the following support services, leading to professions in the STEM Workforce.

## BENEFITS

- May receive up to \$10,000 per year for financial support (\*\*based on students' financial need as determined by the Office of Financial Aid)
- Mentoring Support by SSTEM Faculty
- Industry Certification
- Personalized and adaptive learning online tools to support students' academics
- Tutorial support
- STEM Workshops and Software Training Sessions
- Internship and Research Opportunities
