I. INTRODUCTION

This report is the annual update of the Affirmative Action Plan (AAP) required by federal regulations for women and federally designated racial/ethnic groups as well as covered Veterans and Individuals with Disabilities.

Date of Record for employee census	June 1, 2017
Plan Reporting Year (basis for historical data)	July 1, 2016 – May 31, 2017
Plan Program Year (basis for planned programs)	September 1, 2017 – August 31, 2018

Note that for this year, the University adjusted the reporting schedule, and the past Plan Reporting year is shorter.

This Plan is available for public review at the Office of Compliance of Diversity, 475 Grand Concourse (Building A), Room 336. It will also be made available online at: <http://www.hostos.cuny.edu/Administrative-Offices/Office-of-Compliance-and-Diversity/Affirmative-Action-Policy>.

A. COLLEGE OVERVIEW

Eugenio María de Hostos Community College (“the College”), a comprehensive two-year public institution, is the only dual-language college in the City University of New York (CUNY) system and remains one of the few bi-lingual institutions in the United States. Hostos Community College, governed by the Board of Trustees of CUNY, serves the needs of its diverse students, who not only reside in the Bronx and Upper Manhattan but increasingly from all of New York City’s boroughs.

Specifically established to redress the historical pattern of linguistic and national origin discrimination against residents who have limited English proficiency and/or have traditionally been denied access to higher education, the College offers Associate in Arts (A.A.) and Associate in Science (A.S.) degree programs that prepare students for transfers to four-year colleges upon graduation. Hostos Community College also offers Associate in Applied Science (A.A.S.) degree programs that prepare students for specific careers, as well as certificate programs in Administrative Assistant, Community Health, and Practical Nursing (LPN) studies.

Hostos Community College is accredited by the Middle States Association of Colleges and Schools and the Board of Regents of the University of the State of New York. Its career programs are accredited by the New York State Education Department, the Joint Review Committee on Education in Radiologic Technology, and the American Dental Association. The Allied Health programs are accredited by the appropriate agencies, including the Dental Association and the New York Department of Health. Hostos Community College is a member of the American Association of Community and Junior Colleges, the American Committee on Education, the Hispanic Association of Colleges and Universities, the American Education Research Association, the National Association for Bilingual Education, and other professional and learned organizations devoted to the advancement of education.

Hostos Community College is located at 149th Street and the Grand Concourse in the Bronx. The College consists of several facilities. The building at 475 Grand Concourse houses several chemistry and biology laboratories, as well as administrative offices and academic classrooms. The Shirley J. Hinds Allied Health and Science Complex, dedicated in December of 1990, contains a modern library with an on-line bibliographic system, and state-of-the-art laboratories for the College’s programs in Radiologic Technology, Chemistry, Biology, Physics, and Medical Laboratory Technology. The Hostos Children’s Center, licensed by the State of New York, is also located in this building.

The building at 500 Grand Concourse contains classrooms, academic and administrative offices, the administrative computing center and the Dental Hygiene Program. In addition to numerous academic departments and student organizations and club offices, a collegiate-size swimming pool, two (2) theatres, and a museum-grade art gallery are part of the East Academic Complex that opened in 1994.

The most recent acquisition is the Savoy Manor building which was occupied in 1997. This building, located at 120 East 149th Street, houses the Offices of the Registrar, Bursar, Admissions & Recruitment, Business Office, and Counseling Center.

B. HISTORY

On April 22, 1968, the then Board of Higher Education created Hostos Community College in response to the demands of Puerto Rican and Hispanic leaders who urged the establishment of a college to meet the needs of the South Bronx. In September 1970, the College admitted a charter class of 623 students at the site of a former factory at 475 Grand Concourse. By June of 1974, the enrollment had increased to over 2,000 students. To ease an increasing space shortage, the State Legislature passed a special bill to acquire the “500 Building” on the Grand Concourse across from the original site. On June 9, 1976, the State Legislature guaranteed the existence of the College with passage of the Landes Higher Education Act.

C. MISSION

Consistent with the mission of The City University of New York to provide access to higher education for all who seek it:

The mission of Eugenio María de Hostos Community College is to offer access to higher education leading to intellectual growth and socio-economic mobility through the development of linguistic, mathematical, technological, and critical thinking proficiencies needed for lifelong learning and for success in a variety of programs.

The College takes pride in its historical role in educating students from diverse ethnic, racial, cultural, and linguistic backgrounds. An integral part of fulfilling its mission is to provide transitional language instruction for all students learning English as a second language along with offerings to foster a multi-cultural environment for all students. Hostos Community College, in addition to offering degree programs, is determined to be a resource to the South Bronx and the other communities served by the College by providing continuing education and cultural events for the further development of the communities it serves.

D. ORGANIZATION CHART

Appendix A - Organization Chart

A summary organization chart is provided in Appendix A.

II. NON-DISCRIMINATION AND AFFIRMATIVE ACTION POLICIES

As a part of The City University of New York, a public university system, the College adheres to federal, state, and city laws and regulations regarding non-discrimination and affirmative action including among others, Executive Order 11246, as amended, Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, as amended and the Age Discrimination Act of 1975, the New York State Human Rights Law and the New York City Human Rights Law. The "protected classes," delineated in Executive Order 11246 include American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or Other Pacific Islander, and Women. Updated federal guidelines further expanded these protected classes to include two or more races.

CUNY has posted its policies and procedures on non-discrimination, sexual misconduct, and affirmative action on its website.

[Click for CUNY's Policies \(www.cuny.edu/about/administration/offices/ohrm/policies-procedures.html\)](http://www.cuny.edu/about/administration/offices/ohrm/policies-procedures.html)

A. THE UNIVERSITY'S POLICY ON EQUAL OPPORTUNITY AND NON-DISCRIMINATION

The City University of New York ("University" or "CUNY"), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units—to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University's policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

B. THE UNIVERSITY'S POLICY ON AFFIRMATIVE ACTION

The University's overall policy on Affirmative Action, dated 5/28/1985, is part of CUNY's Manual of General Policy.

Our policy is reaffirmed by the President annually.

Appendix B contains a copy of the annual Reaffirmation Letter.

III. RESPONSIBILITY FOR IMPLEMENTATION

While the entire College community participates in creating an inclusive community, the College has designated specific responsibilities to enable the implementation of Affirmative Action programs.

A. PRESIDENT

The President has primary responsibility to lead and oversee implementation of Affirmative Action and diversity programs and assures compliance with federal, state, and city laws, rules and regulations as well as City University of New York policies. In this area of responsibility, the President:

- Communicates a commitment to equal employment opportunity programs and issues an Annual Re-Affirmation supporting affirmative action, diversity and equal opportunity (see copy of *Re-Affirmation Letter* in **Appendix B**.)
- Submits required reports to University offices and external parties as needed.

B. CHIEF DIVERSITY OFFICER

The President has designated Lauren Gretina, Esq. to serve as CDO during the reporting year. Ms. Gretina also served as the College's Title IX Coordinator and 504/ADA Coordinator; the office is located at 475 Grand Concourse (Building A), Room 336, email: lgretina@hostos.cuny.edu, Telephone: 718-518-4284.

In this area of responsibility, the CDO:

E. UNIVERSITY MANAGEMENT

The University's Office of Recruitment and Diversity reports summary statistics to senior management on a quarterly basis. These reports include both university-wide and college-specific data. The University posts these reports on-line.

http://www2.cuny.edu/about/administration/offices/hr/diversity-and-recruitment/#cuny_workforcedemographics

F. FACULTY DIVERSITY STRATEGIC PLAN

The College has developed overall strategies and goals for implementing Affirmative Action practices related to the hiring and promotion of faculty. The Faculty Diversity Strategic Plan addresses recruitment, retention, and the impact of organizational climate on faculty. This process began with a University-wide initiative starting in 2011. Each College has developed a corresponding plan for 2013–2018, and updates the plan annually.

IV. WORKFORCE ANALYSIS

The Workforce Analysis is a review of protected groups (gender and ethnicity) organized by department/unit and presented by job title in descending hierarchical order as defined by CUNY's university-wide reporting systems.

The source for this review and all subsequent data is an extract from CUNY's system of record, CUNYFirst, with an effective date of June 1, 2017 (i.e., full-time employees either active or on paid leave as of June 1). This analysis omits individuals not identified as CUNY employees, such as individuals employed by CUNY's Research Foundation and student workers. We created the data extract on July 24, 2017.

To evaluate representation by race/ethnicity, we use federally mandated categories of Asian, Black/African American, and Hispanic. As employees who identify as American Indian/Alaska Native or Hawaiian/Native Pacific Islander comprise less than two percent of both CUNY's workforce and the local population, they are included in the Total Minority category, as are persons identifying with Two or More Races. Individuals identifying as Hawaiian/Native Pacific Islander are included in the Asian category.

All employees have identified a gender. Anyone who did not specify a gender and/or ethnicity is included in the workforce analysis but not included in a protected group if they did not disclose one.

We use the Workforce Analysis to review overall representation of females or minorities by organizational unit (division and/or department) and by title/rank within organizational unit. The Workforce Analysis Report is a large document available for review upon request.

V. JOB GROUPS, DISCIPLINES, AND LABOR MARKET AVAILABILITY

We base further analyses on assigning the workforce to groups of similar jobs. Further, we analyze faculty by instructional program (discipline) and college laboratory technicians by general purpose.

A. JOB GROUPS

We develop job groups (or Affirmative Action Units) by grouping similar job titles based on duties, qualifications, and other conditions of employment. The University reviews job groupings as titles, job duties, or conditions of employment change. Table 1 lists the current roster of job groups in use at the University.

For this plan year, the University conducted an in-depth review and we have listed material changes below (Table 2). In some cases, there is an impact on year-to-year comparisons but it appears long-term the results will be more relevant to recruiting and retaining and diverse workforce.

Appendix C presents the College’s job groups, title assignments, and summary staffing. It also includes details on calculations of Labor Market Availability.

B. FACULTY AND COLLEGE LABORATORY TECHNICIANS

We also analyze faculty utilization by academic program or discipline within job group. The University identifies programs using the U.S. Dept. of Education “Classification of Instructional Programs” and each College/Unit assigns their academic departments. On an exception basis, we calculate a blended labor market availability that crosses programs. The only systemic adjustment made to disciplines this year was that in adding CUNY START and CUNY CLIP Instructors, a “Developmental Education” group was added, and some faculty in related programs were assigned to this group.

We analyze College Laboratory Technicians by general purpose. We previously assigned them to as many as six separate groups. Assignment to specialized groups was losing its relevance and differences in labor market availability between groups was minimal. We now assign College Laboratory Technicians to one of two groups, based on assigned department: College Laboratory Technicians in Science, Technology, and Engineering, and College Laboratory Technicians - Other.

Appendix D details the academic program assignments used at the College for Faculty and College Laboratory Technicians.

C. LABOR MARKET AVAILABILITY

Consistent with federal requirements, Labor Market Availability is the benchmark used to analyze utilization of protected groups. It represents the proportion of each protected group available for employment in the labor market from which we recruit.

The University calculates availability by job group and discipline, based on internal and external factors. The internal labor market is an estimate of eligible employees on a promotional path into a job group. The external labor market uses location and qualifications of individuals available for employment, typically an education factor and a geographic factor. Educational data comes from “earned degrees conferred” information from the U.S. Department of Education and other information comes from the *American Community Survey* of the U.S. Census (2007 - 2011). Geographic factors may be National (generally for highest-level positions and faculty), Regional (the four-state region of New York, New Jersey, Pennsylvania, and Connecticut), or Local (New York City).

CUNY updated labor market availability figures as part of a review conducted every other year. Most notable is that where post-secondary degree is a factor, we adjusted the date of degree conferred from 2011-2012 to 2013-2014. We also made some adjustments to account for changes in internal promotion eligibility.

Appendix C (previously referenced) lists availability factors and weightings.

VI. UTILIZATION ANALYSIS (BY PROTECTED CLASS AND JOB GROUP)

A. DESCRIPTION AND RESULTS OF UTILIZATION ANALYSIS

The College reviewed its employee population by Job Group and protected class as compared with Labor Market Availability. We omit analyses for groups of fewer than five employees due to limited reliability.

We assess differences between the workforce and the general labor market (availability). We report “underutilization” when significantly fewer minorities or women are employed than we would reasonably expect given availability (i.e., greater than 20% difference). We calculate this difference in terms of full-time equivalent employees.

Where there is underutilization for females or minorities, the College uses the underutilization figure as a Placement Goal for the recruitment and/or promotion with the job group.

Table 3 (following pages after this section) summarizes the employees assigned to each job group, their underutilization, and a comparison of underutilization to that reported in the prior year (where relevant given changes in employee groupings).

Appendix E provides detail for each individual Job Group/Affirmative Action Unit and Academic Program/Category (Faculty and College Laboratory Technicians).

B. DISCUSSION OF UTILIZATION, UNDERUTILIZATION, AND PLACEMENT GOALS

A number of concurrent factors may influence changes in underutilization and it is not always possible to pinpoint an exact cause.

The fact that the University updated job groupings and Labor Market Availability for this plan year might influence findings for some groups, although typically these changes are not major. Employee turnover and opportunities to hire may also influence findings, especially with smaller groups.

Hostos Community College continued to be exemplary in the employment, promotion, and retention of a diverse and multi-cultural workforce. Women and minorities continued to represent a significant percentage of the College’s employees. As of June 1, 2017, the College had a full-time, permanent workforce of 622 employees. The total number of protected ethnic/racial group members was 469 (75%), and 333 (54%) were women as of this date.

Table 3: Summary Utilization - College Lab Technicians

This is a summary of utilization, and underutilization, of protected groups by job group. Only those groups with five or more employees are included here.

This version compares the underutilization numbers by job group for College Laboratory Technicians as reported to the CUNY Trustees over this past year. It is based on 2016 Affirmative Actions Plans that were edited and corrected during the Winter and Spring of 2017.

In 2016, a single underutilization was calculated for all College Lab Technicians based on a blended rate of up to six categories. In 2017, CUNY began to calculate two utilization figures to represent two categories. In the chart below, the 2016 figures represent total College Lab Technicians regardless of category. As a result, prior year results should be considered informational but not comparable.

9	14					1	1				
---	----	--	--	--	--	---	---	--	--	--	--

This year the College eliminated underutilization in one Affirmative Action Unit for the Faculty and eliminated underutilization in three different Job Groups for the Staff. As an example of the former, for the Health Professions Unit, in the 2016 reporting period women were underutilized by 2, whereas in the 2017 reporting year the underutilization for women in this Affirmative Action Unit has been eliminated. Likewise, as an example of the latter, for the Skilled Crafts group, in the 2016 reporting period both women and Asians were underutilized, and in 2017 the underutilization for both women and Asians has been eliminated.

The College also decreased (but did not eliminate) underutilization in two additional Affirmative Action Units for the Faculty and three additional Job Groups for the Staff. In addition, for three additional Affirmative Action Units for the Faculty and one additional Job Group for the Staff, the College continued to have no underutilization at all.

Underutilization remained in two Affirmative Action Units (AAUs) for the Faculty and four Job Groups for the Staff. There were also four groups (including Faculty and Staff) where underutilization increased. Currently in the Professorial Affirmative Action Units (excluding Lecturers and Instructors) there are 5 AAUs without a protected minority group (women are represented in all professorial ranks):

In Biological and Biomedical AND Physical Sciences, Blacks are not represented. The lack of representation reflects the low availability rate of Blacks for this AAU.

In Business, Management, Marketing, Support Services, Asians are not represented. The lack of representation reflects the low availability rate of Asians for this AAU.

In Education, Asians are not represented. The lack of representation reflects the relatively low availability rate of this group for this AAU.

In English, Blacks are not represented. The lack of representation reflects the low availability rate for this group in this AAU.

In Humanities, Asians are not represented. The lack of representation reflects the low availability rate for this group in this AAU.

In the majority of the College's groups where there is underutilization, self-identified Asians were the affected minority group. In the 2017 reporting period, the College made good faith efforts to recruit a diverse applicant pool, and Asians were represented in the applicant pool. Overall, the College continued to strive towards recruiting Asians college-wide and, as compared to the prior reporting year, has increased the number of applications and new hires of self-identified Asian candidates.

Looking at the past several years:

In the 2013 reporting year, the College received 435 applications from self-identified Asian candidates and hired 2 of them.

In the 2014 reporting year, the College received 482 applications from self-identified Asian candidates and hired 6 of them.

In the 2015 reporting year, the College received 506 applications from self-identified Asian candidates and hired 9 of them.

In the 2016 reporting year, the College received 254 applications from self-identified Asian candidates and hired 3 of them.

In the current reporting year, the College received 478 applications from self-identified Asian candidates and ultimately hired 7 of them. As compared to the prior year (2016), the ratio of Asian hires to Asian applications increased slightly. We further note that over a longer period of comparison (i.e., comparing the current reporting versus the 2013 reporting period), the ratio of Asian hires to Asian applications more than tripled. These positive trends (in both short term and long term comparative periods) illustrate the College's firm and ongoing commitment to the representation of Asians in our recruiting.

In reviewing the results of this year's utilization analysis (2017) as compared with last year's analysis (2016), we observed the following differences:

Administration II

Underutilization of Asians in this group decreased from 1 to 0. There currently is no underutilization in this Job Group.

There is no underutilization of Hispanics in the Professorial ranks.

VII. OTHER ANALYSES

C. PERSONNEL ACTIVITY

As per the Federal *Uniform Guidelines on Employee Selection*, we analyze personnel actions for potential adverse impact (i.e., personnel selections at a substantially different rate for underrepresented groups). We review this data by job group.

Any conclusions related to this data should take into account the fact that this is the first year in which we are presenting this data by job group, as the data was previously reviewed by EEO-6 category. This year we also updated definitions of job actions to coordinate with data categories assigned by our system of record, CUNYFirst.

Appendix F provides detail on personnel activity for incumbent employees.

- F-1 Job Actions by Job Group and Ethnicity
- F-2 Job Actions by Job Group and Gender
- F-3 Faculty Tenure Actions by Department, Title, and Ethnicity
- F-4 Faculty Tenure Actions by Department, Title, and Gender

We compare changes in title between reference dates (this year, between July 1, 2016 and June 1, 2017), adding individuals who did not remain employed for an entire plan year. The reports track hires and other actions on the basis of when the change occurred (effective date), not the date it was approved (which for some jobs might have occurred in the previous plan year).

The table below details the types of employment activity captured. Many personnel actions involve leaving one job group to take a position in another group and are reported as a combination of a separation and a hire (i.e., an employee is noted as having left one group and having joined another group). Other types of status changes, including a change from Substitute, Acting, or Temporary status to regular status, are noted but not included in counts of hires and separations.

Of particular interest is Tenure, a permanent status granted to faculty and College Laboratory Technicians. Lecturers are eligible for a Certificate of Continuous Employment (CCE). Individuals are eligible after meeting service requirements, and professorial faculty are subject to an additional review process. Departmental and College-wide Personnel and Budget Committees (P&B) review applications and present recommendations to the President, who recommends candidates to the CUNY Board of Trustees. Individuals reported for this year generally received tenure/CCE status effective on September 1, 2016. College Laboratory Technicians generally receive tenure automatically following a given number of years of service and are not included in the Tenure report.

Table 4
Personnel Actions

Category	Activity	Definition
Joined Group	Employee has joined a job group to which they did not belong as of the prior census date.	
	Hire	Employed at the college for the first time, or re-hired after a break in service. May include employees who previously worked at another CUNY College or elsewhere in government service and individuals appointed through the Civil Service Transfer Roster process.
	Advanced from a Lower Group	Employee joined job group by taking a new job that would normally be considered a career advancement. This is counted as a hire in the new group, and a separation in the old group.
	Joined Executives from Faculty	Considered neither a career advancement nor other change, when a faculty member leaves a faculty appointment to join the Executive ranks. Normally he/she retains tenure in the faculty appointment and may return to it eventually.
	Joined Faculty from Executives	Considered neither a career advancement nor other change, when a faculty member returns to a faculty appointment after serving in Executive ranks.
	Joined/Transferred from Other Group	Other change, such as a job change which represents a change in career direction, or where there is no stated or implied career advancement.
Left Group	Employee has left a job group they were part of as of the prior census date.	
	Separation	Employee has left employment in the College, whether or not he/she has moved to another CUNY College.
	Separation within plan year	Employee was hired and separated from College within the same plan year (counted as both a Hire and a Separation)
	Left to Advance to Higher Group	Employee left job group by taking a new job that would normally be considered a career advancement.
	Left Executives to Return to Faculty	Considered neither a career advancement nor other change, when a faculty member returns to a faculty appointment after serving in Executive ranks.
	Left Faculty to Move to Executives	Considered neither a career advancement nor other change, when a faculty member leaves a faculty appointment to join the Executive ranks. Normally he/she retains tenure in the faculty appointment and may return to it eventually.
	Left Group – Other Title Change (Not Advancement)	Other change, such as a job change which represents a change in career direction, or where there is no stated or implied career advancement.

Category	Activity	Definition
Move Within Job Group		Employee has a title change but has not changed job group.
	Advanced Within Group	Employee has taken a higher title within the group. This might be a higher level of the same title (e.g., IT Assistant Level 1 to IT Assistant Level 2) or a higher job title (e.g., IT Assistant to IT Associate).
	Title Change Within Group-Other (Not Advancement)	Employee has taken another title with a job group where there is no stated or implied career advancement.
Status Change		Employee has a change in the status of their appointment. <u>Note in previous years, some status changes were treated as a combination of a separation and a hire; however the employee never changed job title or duties. Beginning with this report we will note that change in status separately from hire/separation status.</u>
	Regular Status to Acting-Substitute Status	Employee was a regular employee as of the prior census date but has taken a position with a substitute status, most likely as a trial period in a higher title.
	Acting-Substitute Status to Regular Status	Employee was a substitute employee as of the prior census but has been granted a regular status, most often through a search process.
	Temporary to Regular Appointment	Generally applies only to Civil Service employees, where employee has moved from a temporary (3-month) assignment to one of the standard Civil Service regular appointment categories (non-competitive, provisional, or probable permanent).
	Visiting Faculty to Regular Status	A member of the Visiting faculty has taken a regular faculty appointment (e.g., Visiting Assistant Professor to Assistant Professor)
	Visiting Faculty to Substitute Status (Rare)	A member of the Visiting faculty has taken a substitute appointment, either as a substitute faculty member or a substitute Research Associate.
Tenure Actions		Actions related to the granting or denial of tenure to faculty members. May include Tenure or Certificate of Continuous Employment (CCE), a status granted to certain non-professorial faculty titles. Tenure actions are reported by Department, not job group, however, the job title is reported in the chart.
	Awarded Tenure	Awarded Tenure or CCE following a review process.
	Hired with Tenure	Upon initial hire, granted tenure. Generally due to having a tenured status at a previous institution.
	Denied Tenure	Tenure denied after a review process. If a job title is not provided, this indicates employee has left CUNY employment.

Analysis of Personnel Activity Table

New Hires

This group includes individuals hired into new positions through a posting, search, and selection process (whether or not they previously worked at the College).

The College hired 121 new full time employees; of these 71 were women, and 90 were minorities. Of the minorities, 34 are Black, 48 are Hispanic, 7 are Asian, 1 identified as Two or More Races, and none are American-Indian.

Civil Service Hiring Pool Results

In addition to the hiring processes detailed above and in the exhibits, the College participated in 5 hiring pools for civil service personnel, administered by the University. Applicants are qualified based on their score on a civil service examination. At a hiring pool, applicants who are pre-qualified based on their examination score indicate their interest in working at one or more colleges, and colleges make selections as per CUNY's Civil Service regulations. These individuals are included in the counts of employees hired in Appendix F.

The College participated in the following Civil Service Hiring Pools:

Exam 4075 –Maintenance Worker
Exam 6058–CUNY Office Assistant
Exam 2046–Campus Peace Officer

Terminations/Separations

This group includes individuals separated for both voluntary and involuntary reasons, including the scheduled end of a time-limited appointment.

The number of employees separated from the workforce was 113, including 67 women and 93 minorities. Of the minorities, 27 are Black, 58 are Hispanic, and 7 are Asian.

Upgrades and Promotions

This group includes faculty who received a promotion in rank, Higher Education Officer Series employees who received a reclassification of position, and Civil Service employees promoted according to the promotional path for their titles.

All 3 members of the professoriate who applied for promotion received an upgrade in rank. Of the 3 members of the professoriate who applied for promotion and received an upgrade in rank, 1 is a female and 1 is of minority descent. In the Natural Sciences there was one White female and one Hispanic male and there was one white male in Behavioral Social Sciences.

It should also be noted that as of July 1, 2017, the College will have its first ever female chair of the Mathematics Department.

In the Non-Faculty areas:

There was one promotion from Campus Peace Officer Level 1 to Campus Public Safety Sergeant – a Black male. There was also one upgrade in the Campus Planning Department from College Office Assistant Level 4 to College Administrative Assistant Level 1 – a Hispanic female, as well as one B & G promotion where a White male was promoted from Assistant Electrician to Electrician.

Tenure decisions will be discussed in the next section.

Transfers

This group primarily consists of individuals transferred between departments under the terms of bargaining unit agreements and Civil Service employees moving to new locations through the Civil Service Transfer Roster process. Transfers may be either voluntary (at the request of the employee) or involuntary (for reasons which may include reorganization).

The number of employees who transferred was 3 which included 3 women all of whom were Hispanic.

Tenure

During the reporting period, 3 faculty members were presented for tenure and all three were granted tenure by the Board of Trustees, effective September 1, 2016.

The tenure recipients included: 1 Associate Professor from the Behavioral and Natural Sciences Department; 1 Associate Professor from the English Department; and one Lecturer from the Education Department. Of the Associate Professors, 1 was a white male and 1 was a white female. The Lecturer recipient was a white male.

D. RECRUITING ACTIVITY

Recruiting and selection take place within an established process that is designed to promote both effectiveness and diversity. Prior to posting a position, the Chief Diversity Officer reviews and approves the posting language from the standpoint of any requirements that may impose bias. In most cases, the Chief Diversity Officer also creates and/or reviews a Search Plan outlining intended methods of outreach for the position.

Many hiring projects are conducted by a diverse Search Committee, particularly searches for faculty, administrators, and executives. The Chief Diversity Officer provides an orientation to committee members on effective selection practices, including practices aimed at reducing the potential for bias in selection. The CDO reviews the applicant pool for sufficient representation and certifies the pool prior to a review by the committee. The CDO reviews the list of individuals selected for interviews, and at the end of the recruiting process, approves the entire search.

Unlike the Utilization Analysis, which compares employee data to labor market availability, the standard in evaluating recruiting data is “Impact Analysis”: whether females and minorities have a selection rate at least 80% of the selection rate of males and whites. The Chief Diversity Officer also typically reviews applications from the standpoint of labor market availability prior to certifying the applicant pool.

Appendix G summarizes recruiting, by job group, data based on currently available information about searches that were noted as officially concluded with a job offer between July 1, 2016 and May 31, 2017.

Note that for some job groups, notably faculty, there is a time gap between offers and start dates. For recruiting reviews, we track timing on the basis of the close of the search (accepted job offer). Also, we report on all searches resulting in an offer, regardless of whether the search is cancelled at some point after an offer is made.

Currently, applicant categories follow the *Internet Applicant Rule* and consist of:

Applicant	Qualified individual submitting an application for a specific position
Interview	Selected for an interview, and interviewed (did not withdraw)
Offer/Hire	Selected for the position.

In the normal conduct of business, the Chief Diversity Officer reviews demographic data for individual searches/job postings. As job searches are performed by many units throughout the organization, data at that level is the most useful in making real-time adjustments to recruiting and outreach plans in order to assure diverse, qualified applicant pools. The Chief Diversity Officer may require additional outreach prior to proceeding with selection and/or interviews should there be a concern that applicant pools are not sufficiently diverse.

A review of this year's data-recruitment information reveals that the College continues to recruit, interview, and make job offers to a high percentage of women and protected groups. This reporting period, the College received 5984 total applications.¹ Of the applicants, 49.4% were women and 72.4% were from minority groups (32.2% Black, 30.0% Hispanic, 8.0% Asian, 0.6% American Indian, 8.8% of applicants did not indicate a race or ethnicity).

Of the 324 interviews that were conducted, 53.7% of the interviewees were women and 73.1% were from minority groups (30.2% Black, 32.7% Hispanic, 9.0% Asian, and 0% American Indian).

Of the 130 job offers that were given this reporting year, 55.3% were to women and 70.0% were to minorities (26.1% Black, 37.6% Hispanic, 5.3% Asian, and .07% other minority groups).

When evaluating this data, it should also be considered that when an applicant applies multiple times to the same position, the total applicant pool is increased somewhat artificially because that single applicant has been counted multiple times. Moving forward, the Office of Compliance and Diversity and Human Resources will work more closely together to ensure that data is being uniformly collected and to create a process in which applicants are not "double counted" in this way.

E. COMPENSATION

The University develops and manages pay plans according to title and/or bargaining unit. These include an Executive Compensation Plan (ECP), Faculty and Non-Teaching Instructional Staff Pay Schedules, and Classified Civil Service Plans for Managerial Personnel, Non-Managerial Staff, and Skilled Trades. Plans are subject to bargaining unit contracts, Civil Service regulations, New York City Comptroller's Determinations, and/or University policy, and these factors sometimes limit the flexibility of the pay plans.

We review policies such as:

- Setting of Starting Salaries
- Performance-Based Pay
- Pay Increases Upon Promotion
- Tracking of Compensation Decisions
- Document Retention Practices
- Assignment of Overtime/Additional Assignments.

We also review salaries by job group and title and evaluate areas where there is a discrepancy of 5% of more based on average salary as well as a material number of employees.

¹ Of the 5984 total applicants, 574 of those applicants did not self-identify as male or female. Of the 5984 total applicants, 525 of those applicants did not self- identify as belonging to a particular race or ethnicity.

The Chief Diversity Officer and the Human Resources Director discussed compensation best practices and areas of risk with members of the President’s Cabinet throughout the 2016-17 Academic Year.

VIII. ACTION-ORIENTED PROGRAMS

In this section, we assess the programs over the prior year from the standpoint of the findings in the previous sections of this report. We evaluate how the College has, or has not, achieved its goals. We identify future programs and activities in light of the coming year’s goals.

A. IMPLEMENTATION OF THE 2016– 2017 AFFIRMATIVE ACTION PROGRAM

Table 3 (previously referenced) and the discussion of the previous section summarize prior year goals and accomplishments in addressing underutilization.

Over the prior plan year, The College undertook the following programs in support of Affirmative Action as well as creating a climate of inclusion.

Below is a list of programs in support of diversity & inclusion, the efforts included, but were not limited to the following:

Table 5
Summary of Campus Programs, 2016-2017

Program / Effort	Impact/Discussion
<p><u>Faculty Fellowship Publication Program</u>: Recognizing that publication of academic works is one of the key criteria for advancement, CUNY’s Faculty Fellowship Publication Program aims at advancing the goal of a diverse professoriate through mentoring and educational programs which address preparing materials for publication.</p>	<p>During the reporting year, two (2) College faculty members participated in the Faculty Fellowship Publication Program.</p>
<p><u>Drawing a Road Map to Inclusion – Diversity Seminar Series 2017</u>: Seminar #1, “Serving & Supporting Immigrant and Undocumented Students.”</p>	<p>This seminar explored the lives and struggles of undocumented students and the subject of immigrant rights. Attendees also learned about available resources at the College and further steps that may be taken to better serve and support the community.</p>
<p><u>Drawing a Road Map to Inclusion – Diversity Seminar Series 2017</u>: Seminar #2, “Transcending Justice in Academic Settings.”</p>	<p>This seminar featured a conversation about the role of education in restoring justice and promoting inclusion in academic settings. The seminar promoted the goals of equality, justice, and inclusion.</p>
<p><u>The Center for Teaching and Learning (CTL)</u>: The CTL celebrates faculty, staff, and student achievements inside and outside the classroom and encourages the growth of interdisciplinary and cross-divisional</p>	<p>These workshops and events were well attended and well received. Surveys were conducted at the conclusion. Overall, the participant feedback was very positive. One participant wrote, “the workshops provided a much needed</p>

<p>partnerships. The CTL offered numerous workshops and events that promoted diversity and inclusion, including but not limited to the following: The Kickoff/Pre-launching of <u>Hostos Reads</u> a college-wide initiative that explores the theme of social justice and asks, “What is a just society?”</p> <p>A discussion entitled “The Lingering Effects of Poverty,” which explored the racial and ethnic health disparities that persist in American society despite awareness on the part of elected officials and community leaders. The discussion covered topics including poverty, justice, and the impact of poverty on people of color and their communities.u7</p>	<p>opportunity for safe discussion.” Some participants felt the social justice conversation revealed “how this topic impacts everyone,” and one professor wrote that “it raised my awareness.” Another participant thought it helped him to “look at my own prejudices.”</p>
<p><u>Technical Workshop Supporting CUNY Diversity Grant Composers</u>: This activity followed the traditional technical workshop model offered for the grant office to help PSC-CUNY grant composers every year.</p>	<p>Four former recipients of the CUNY Diversity grant shared their experiences with the writing process and effective ways to implement the grant practice once it was funded. Approximately 15 faculty attended this gathering, which also helped the College grant officer identify grant composers interested to pursue this opportunity. Furthermore, former faculty grantees offered helping grant composers with the narrative and remained in contact working together after this initiative.</p>
<p><u>Exploring Ways to Systematize a Diversity Dialogue in the Classroom</u>: Throughout the year there were many conversations between the CTL and the Diversity Fellow. Specifically, several faculty and staff members discussed ideas and potential framework that systematize a safe dialogue in our classrooms regarding diversity, inclusion and plurality.</p>	<p>All participants agreed that, regardless of specific course content; all faculty members should be engaged in defining the meaning of diversity, inclusion, and plurality in our institution. Notably, the successful experience developed by Prof. Eunice Flemister and Lisanette Rosario based on cultural-competency workshops was highlighted as a best practice that should be expanded upon.</p>
<p>The Hostos Center for the Arts & Culture, the College’s centerpiece for cultural activity, also held activities to promote diversity at the College. The Center consists of a museum-grade art gallery, a 367-seat theater, and a 907-seat concert hall. The Center has distinguished itself for showcasing the cultural traditions of the communities that the Center serves, by presenting premiere festivals and concert series.</p>	<p>All programs and activities are open to the College community at no cost or at significant discounts, depending on the nature of the event. These events provide the community with an opportunity to learn, celebrate, and reflect through art.</p>

Program / Effort	Impact/Discussion
<p>The Center produces and presents dance, painting, sculpture, drama and literary arts, from folk traditions to emerging artists. A typical season includes a visual arts exhibition; periodic festivals featuring different cultural traditions; the Hostos Repertory Company; and an individual artists' program consisting of commissions and residencies. Other cultural activities include celebrations of Hispanic Heritage Month, Black History Month, Dominican Heritage Month, Puerto Rican Heritage Month, Women's History Month, Hanukkah, Kwanzaa, and Christmas via live music concerts, art and photography exhibits, dance concerts, film presentations, and lectures.</p> <p>Listed below is a sample of events/performances held during the 2016 – 2017 season:</p>	
<p><u>Fifth Bronx Latin American Art Biennial: An Artists Panel Discussion</u></p>	<p>Artists Panel Discussion was conducted.</p>
<p><u>Ballet Concierto de Puerto Rico:</u> In celebration of Puerto Rican Heritage Month, Puerto Rico's leading ballet/contemporary dance company returns to NY with a mixed repertory program including <i>the Latin Suite</i>.</p>	<p>This event celebrated Puerto Rican culture through various styles of dance.</p>
<p><u>Charanga Fest:</u> Three top Charanga bands in New York – Orquesta Broadway, La Charanga 76, and Tipica Novel – came together to celebrate Cuban music.</p>	<p>This was an evening of lively Cuban music, inspired by the dance which featured a host of special Charanga guest artists.</p>
<p><u>The MENding Monologues</u></p>	<p>This show explored gender violence issues from a male perspective. It provided an opportunity for dialogue and discussion on this important topic.</p>
<p><u>Multicultural and Diversity Resources at Hostos Library</u></p>	<p>This resource is aimed at helping faculty and students locate and identify useful resources that promote an awareness of diversity. Resources include online databases, web sites, print materials and other information. See http://guides.hostos.cuny.edu/c.php?g=45475 for additional information.</p>
<p><u>Diversity Projects Development Fund:</u> CUNY's Diversity Projects Development Fund provides funding for College research and/or educational activities related to traditionally underrepresented groups.</p>	<p>During the reporting year, one (1) faculty member participated in the DPDF.</p>

B. TARGETED PLANS FOR THE 2017-2018 AFFIRMATIVE ACTION PROGRAM

In this section, we affirm the College’s placement goals and key initiatives for the coming year.

Table 3 (previously referenced) summarizes Affirmative Action goals to address specific areas of underutilization.

Below is a list of programs in support of diversity & inclusion. The efforts include, but are not limited to, the following:

Table 6
Planned Campus Programs, 2017-2018

Program / Effort	Goals/Expected Impact
<u>The Campus Civility Committee (CCC)</u> has been reconstituted and is currently chaired by Professor Julie Bencosme; the CCC will be holding a “Celebrating Civility” kick-off event on Thursday, Sept. 14, 2017, one of among many planned events and activities.	This Committee will work towards fostering a safe, civil, and respectful learning and working environment at Hostos. It will continue to remind students, faculty, and staff to respect one another, to provide basic courtesy, and to exhibit conduct that creates a positive environment for all.
<u>The Hostos Center for the Arts & Culture</u> will continue to promote diversity and inclusion through its programming. The planned programs for the Center include: dance, painting, sculpture, drama and literary arts, from folk traditions to emerging artists. In celebration of Hispanic Heritage Month the College will host the Exhibition: <u>Las 3 Hermanas, Art, Education & Activism</u>	To promote discussion and dialogue through art and education
<u>Hispanic Heritage Month 2017 - Kick Off Celebration: Activism & Civic Engagement Fair</u>	This event is sponsored by Student Activities and A.L.M.A. Club and will give members of the College community an opportunity to learn about different types of activism
<u>The Hostos Reads Project</u> has chosen <i>Americanah</i> , a novel by Chimamanda Ngozi Adichie as the book of the year and will be read as part of this initiative. The College community is invited to join and to take part in multiple events surrounding the book.	This academic initiative includes group discussions, brown bag events and workshops about the book that will offer an opportunity for discussion and dialogue between faculty, staff and Students.
The <u>CTL</u> will continue to offer conversations on creating teachable moments revolving around visible and invisible diversity in the classrooms.	The goal of these conversations will be to start crafting a sustained approach to this critical matter.
<u>Domestic Violence Workshops and Roundtable</u>	The goal is to foster a safe environment where faculty, staff, and students feel supported, can learn about additional resources and educate themselves.

C. ONGOING ACTIVITIES IN SUPPORT OF AFFIRMATIVE ACTION

The College's Action-Oriented programs benefit from University-wide recruitment, diversity, and compliance programs; the University:

- Sends job postings to State Workforce Agencies and Veterans' career centers
- Maintains consolidated advertising programs, including job boards serving Veterans, Individuals with Disabilities, women, and underrepresented groups, and a participation in a national network dedicated to higher education recruiting;
- Maintains social media accounts for recruitment and employment branding;
- Promotes university-wide Civil Service examinations;
- Publishes guides and training materials on effective and compliant search practices
- Provides training and ongoing updates to Chief Diversity Officers.

Recruitment policies support developing diverse applicant pools through:

- Required posting of open positions and of Civil Service Notices of Exam. Typical faculty vacancies are posted for 60 days and administrative vacancies are posted for 30 days
- Collection of all applications into a single automated system where pre-established screening practices relevant to the specific function may be applied
- A job application process where all candidates are automatically invited to self-identify race/ethnicity, gender, veteran status, or disability status; information is kept confidentially and used to analyze the composition of applicant pools
- A committee recruiting process by which a diverse team evaluates candidates according to consistent criteria and job-related interview questions
- An annual survey of newly appointed employees to identify potential areas of concern in how the College communicates with its candidates.

As previously mentioned the Chief Diversity Officer posts and distributes notices of non-discrimination policies, changes in regulations, and similar compliance information, and makes the Affirmative Action Plan available for public inspection. She also integrates compliance information into training programs for faculty, students, and staff.

The Chief Diversity Officer conducts the following activities to promote management's participate in the Affirmative Action programs:

- Meets regularly with President and members of President's Cabinet to discuss compliance and diversity outreach issues
- Frequently discusses hiring issues such as diversifying applicant pools, addressing unintended bias, and meeting compliance requirements with managers, supervisors, and HR
- Promotes the attainment of placement goals

- Reviews and approves plans to conduct searches to fill job vacancies, both faculty and administrative. During the Plan year, “charge” meetings were conducted for search committee members. In the context of searches at CUNY, a “charge” is the term used for the notification of and instructions to the Search Committee about its goals and obligations. Some of the items covered in the “charge” address compliance, particularly compliance with Equal Employment Opportunity regulations and related CUNY guidelines.
- Oversees the College’s recruitment and advertising programs to assure appropriate outreach to underrepresented groups.

D. INTERNAL AUDIT AND REPORTING

The Chief Diversity Officer is responsible for audits and reviews of the effectiveness of College programs. This includes:

- Monitoring records of personnel activities, including new hires, transfers, promotions, and terminations
- Monitoring the status of employee self-identification programs
- Reviewing the effectiveness of recruiting outreach and advertising
- Monitoring complaints or incident reports which may indicate underlying trends
- Reviewing personnel activities and the Affirmative Action Plan with senior level officers
- Advising management of program effectiveness and provide recommendations for improvement.

The College maintains employment records in the central CUNYfirst system used to provide the data underlying Affirmative Action Plans. The Chief Diversity Officer works with Human Resources staff to assure College records are complete, accurate, and timely.

The University reports statistics and diversity metrics to the University Community and the CUNY Board of Trustees on a quarterly basis.

IX. INDIVIDUALS WITH DISABILITIES AND PROTECTED VETERANS

A. POLICY STATEMENT ON EQUAL EMPLOYMENT OPPORTUNITY

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations when appropriate to Individuals with Disabilities, individuals observing religious practices, employees who have pregnancy or childbirth-related medical conditions, or employees who are victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint. (Provide policy statements, including the required anti-retaliation statements, relative to Individuals with Disabilities and Veterans)

Further details on university policies are available on the web site at:

[Click for CUNY's Policies \(www.cuny.edu/about/administration/offices/ohrm/policies-procedures.html\)](http://www.cuny.edu/about/administration/offices/ohrm/policies-procedures.html)

B. REVIEW OF PERSONNEL PROCESSES

Our goal is to ensure all personnel activities are consistent with the goal of providing equal employment opportunity for employees and applicants who are Individuals with Disabilities and/or Protected Veterans. To that end, we periodically review our personnel processes for potential barriers to employment, training, and promotion.

The College asserts that its personnel processes do not stereotype Individuals with Disabilities or Protected Veterans or otherwise limits their access to jobs for which they are qualified; further, the College makes efforts to assure Individuals with Disabilities and Veterans are represented media including college publications and web sites.

We invite employees to self-identify through an on-line system available in CUNY’s Employee Self-Service Portal. We invite applicants to self-identify through CUNY’s online recruiting system with each application. The University maintains this data in its system of record with appropriate security measures for confidentiality of individual information.

C. REVIEW OF PHYSICAL AND MENTAL QUALIFICATIONS

Our goal is to ensure that all physical and mental qualifications and requirements are job-related and consistent with business necessity and safe performance of the job. We periodically review the College's physical and mental qualifications and requirements as they relate to employment, training, and promotion.

We will repeat a review of a given position when there is a change in working conditions that may influence the job's physical or mental requirements. Examples may include new work requirements or new equipment. As new job qualifications are established, the College will review them to ensure that they would not screen out qualified Individuals with Disabilities or Protected Veterans. To the extent that such a situation might occur, the College takes steps to ensure the requirements are essential functions of these particular jobs.

The University's Civil Service unit reviews job requirements for potential issues at prior to issuing revised Civil Service specifications. The University also provides a checklist for planning a recruiting effort that includes a sign-off on a review of job qualifications.

D. REASONABLE ACCOMMODATION

The College provides reasonable accommodations to physical and mental limitations of applicants and employees who are Individuals with Disabilities or Disabled Veterans. As per *CUNY Procedures for Implementing Reasonable Accommodation and Academic Adjustments*, the Human Resources Director is responsible for responding to requests by applicants for employment, current employees and visitors. Anyone may request an accommodation by contacting the Human Resources Office.

The College contact accommodation requests is:

CUNY Procedures for Implementing Reasonable Accommodation and Academic Adjustments is available on CUNY's website.

[Click for CUNY's Policies \(http://www.cuny.edu/about/administration/offices/ohrm/policies-procedures.html\)](http://www.cuny.edu/about/administration/offices/ohrm/policies-procedures.html).

Applicants for employment may request accommodations to physical and mental limitations during the recruiting and interviewing process. The procedure is provided on the Employment Page of the CUNY Website and <http://www.hostos.cuny.edu/Administrative-Offices/Office-of-Human-Resources/Reasonable-Accommodation>. The text of the statement is as follows:

Any applicant who requires an accommodation for a disability in order to apply for a position or proceed with the job search process should contact the College's Human Resources office, or The University's Office of Recruitment and Diversity at jobs@cuny.edu, 205 East 42nd Street, 10th Floor, New York, New York 10017.

The College accommodates employees who serve in the armed forces with a liberal military leave policy, which includes granting leaves of absence to employees who participate in honor guards at the funeral of Veterans.

As per University policy, the College also provides reasonable accommodations to individuals based on religious practice.

In the last Plan Year:

- While recognizing that many requests are resolved through an informal process, the College responded to 12 official requests for accommodations from employees, for which the process was successfully concluded 10 times and appealed 0 times. At this time there are no outstanding appeals.
- There were no requests for reasonable accommodations from job applicants.
- The College upgraded campus facilities to improve access to the “B” Building’s 4th Floor. In addition, a wheel chair lift was installed which links the B and C buildings on the College campus.
- There were also a number of additional/ongoing improvements made to the campus. The Accessibility Resource Center (ARC) purchased additional equipment and software to assist students that have accessibility needs. The Computers at the Testing Center were reconfigured to use a more reliable screen reader software. In addition, a recorded lecture transcription for the pilot courses, which are part of the Lecture Capture initiative, was implemented. The College Website was also modified to become more compliant with Section 508 Web Accessibility standards. Additionally, accessibility is taken into consideration whenever there is new furniture for classroom updates and for the use of common spaces.

E. HARASSMENT PREVENTION PROCEDURES

The University has developed procedures to ensure that Individuals with Disabilities or Protected Veterans are not harassed. (See Section A above, *Policy Statements on Equal Employment Opportunity*). As specified in our policy, the 504/ADA Coordinator, Lauren Gretina, is responsible for coordinating efforts to ensure access and non-discrimination for Individuals with Disabilities. To file a complaint, individuals should contact the 504/ADA Coordinator.

F. EXTERNAL DISSEMINATION OF POLICY

Each job vacancy announcement has a summary of CUNY’s policy.

The University also its Non-Discrimination Policy in the New York Times twice each year, and on its employment web site ([Click for CUNY's Employment Page \(www.cuny.edu/employment.html\)](http://www.cuny.edu/employment.html)).

The University Office of Labor Relations provides an annual notice of our policies to labor unions.

The College sends written notice of the affirmative action policy to all subcontractors, vendors, and suppliers requesting their compliance with our policy.

The Coordinator also determines whether there are any undue hurdles for both Individuals with Disabilities and Protected Veterans in gaining access to college programs and activities of all kinds.

The Chief Diversity Officer is responsible for monitoring recruitment outreach, as well as claims of discrimination related to status as a Veteran or Individual with a Disability. Re: Reaffirmation of Commitment to Diversity/Equal Opportunity/Affirmative Action

The City University of New York (CUNY) has a long-standing commitment to diversity and equal opportunity in all aspects of employment practices. At Hostos Community College, I fully support the policies and practices that we have implemented to foster non-discrimination, affirmative action, and diversity and inclusion in the workplace. It is my personal belief that CUNY is enriched by the strengths of the people and perspectives represented here.

Accordingly, I am committed to oversee Hostos Community College's compliance with the CUNY Policies and Procedures on Equal Opportunity, Non-Discrimination, and on Sexual Misconduct.

The Equal Opportunity and Non-discrimination Policy states CUNY's commitment to recruit, employ, retain, promote, and provide benefits to employees regardless of race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, unemployment status, pregnancy, or status as a victim of domestic violence/stalking/sex offenses, or any other legally prohibited basis in accordance with federal, state and city laws. I remind you that Italian Americans are included among CUNY's protected groups. Additionally, as a federal contractor, CUNY engages in affirmative action consistent with federal requirements. I invite you to visit the Hostos Community College website, <https://www.hostos.cuny.edu/Administrative-Offices/Office-of-Compliance-and-Diversity> to view the Equal Opportunity Policy in its entirety, including the complaint procedures and prohibition against retaliation.

I have assigned the responsibility for the implementation and monitoring of our compliance program to the Interim Chief Diversity Officer, Michele Dickinson, Esq., who will also serve as the 504/ADA Coordinator. The vice presidents, deans, directors, managers and supervisors share responsibility for ensuring our compliance with these policies and laws. The Office of Compliance and Diversity is located in Room A-336 at 475 Grand Concourse, Bronx, New York 10451, and the telephone number is (718) 518-4284. Additionally, any individual who believes that he or she has experienced employment discrimination should immediately contact Ms. Dickinson at (718) 518-4284.

I ask for your continued support to ensure equal opportunity, affirmative action, and diversity and inclusion in all employment practices at Hostos Community College.

This report lists only those CUNY job groups for which the college has employees. Groups with fewer than five employees are listed here but will not be included in Utilization Analysis worksheets.

For each group, there is also a description of labor market availability factors to be utilized in later exhibits. Factor 1 (LMA Factor 1) represents an external Labor Market availability factor. Factor 2 (LMA Factor 2) represents an internal Labor Market availability factor, if any (e.g., employees with eligibility to be promoted into the title).

Comments are provided summarizing changes from prior years' reports and other relevant information.

This is a review of utilization, and underutilization, of protected groups by job group. Only those groups with five or more employees are included here.

Underutilization occurs where the utilization of a protected group is less than 80% of the utilization projected in the relevant labor market. Where utilization is "Y" a number is provided approximating the number of full-time employees that would have needed to be added to make utilization equal to the labor market. Where utilization is "Y" and the number is zero (0), this indicates that underutilization exists but not to the level of one full-time equivalent when numbers were rounded. Blanks indicate no underutilization.

Underutilization numbers for females and for total minority represent specific "placement goals" as prescribed for Federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native, and Two or More Races.
