## **FACULTY VACANCY ANNOUNCEMENT**

The mission of the Radiologic Technology Program at Hostos Community College is to provide an educational experience for students culminating in the production of a competent, professional radiologic technologist who can function effectively as a member of the health care team. The Radiologic Technology Program faculty believes that every student, when provided with an optimum educational experience and opportunities, will be able to perform all routine radiographic procedures after completion of the program.

The Radiology Technology Department invites applications for a tenured track Assistant Professor to teach all content areas in the Radiology Curriculum. The successful candidate will share responsibility for committee and department assignments including administrative, supervisory, and other functions.

In addition to the above duties, the successful candidate will be responsible for the following:

- Provides clinical instruction at hospital affiliates.
- Participates in curriculum design and development.
- Performs college and departmental committee assignments.
- Conducts student advisement.

## **QUALIFICATIONS**

Master's degree in area(s) of experience or equivalent. Current NYS License and current registration with ARRT are required. Also required are the ability to teach successfully, demonstrated scholarship or achievement, and ability to cooperate with others for the good of the institution.

The following qualifications are preferred:

- Five years' clinical and one year teaching experience
- Bilingual skills in English and Spanish
- Computer knowledge in Microsoft Office applications and instructional multimedia technology
