Jobs on Campus Application Spring and Summer 2022

Spring Deadline: April 1, 2022 Summer Deadline: April 29, 2022

Jobs on Campus aims to provide Hostos students with professional work experiences and mentoring that will improve their job skills, career readiness, and support their academic progress. Applications are invited from academic and administrative departments across Hostos seeking to hire one to two Hostos students for the Spring and/or Summer 2022.

Students will be paid a competitive hourly rate of \$20/hr and work a maximum of 10 hours a week under the supervision of a faculty/staff member who will ensure student maintains academic requirements and is making progress toward graduation. Supervisors will also be expected to provide on the job mentoring to help students develop and maintain professional conduct in an office setting.

Student Eligibility Requirements: Students must be enrolled full-time. All students are eligible to apply regardless of immigration and financial aid status.

To apply for **Jobs on Campus** funding to support student employment, please complete the information requested below:
