

# New Student Hires for Jobs on Campus!

The Office of the President is pleased to announce the first cohort of 22 students that have been hired through **Jobs on Campus**, one of the newest initiatives under the Ms. MacKenzie Scott's Gift: President's Initiatives for Student Success, College Growth and Stakeholders' Engagement.

Jobs on Campus is designed to promote students' socio-economic mobility, one of the core pillars of the Hostos mission, by funding student employment at departments, programs and administrative offices across Hostos. Jobs on Campus will provide students with valuable work experience, on the job mentoring, and professional development to advance their career readiness and future job prospects. Students will be paid an hourly rate of \$20/hr., work a maximum of 10 hours/week, and receive supportive guidance and supervision to ensure they stay on track academically.

We congratulate all the students for this important accomplishment and wish them much success as they embark on this new career development opportunity!
