

A message from **THE PRESIDENT**

My Dear Colleagues and Students,

This is to say that I am thinking of all of us as we deal with the aftermath of the storm.

My very best wishes to you and yours as we move forward, each of us in our own circumstances, to resume our lives after the storm.

Please reach out to Student Support Offices and to your division leaders or my office, should there be a need to refer you for assistance or to identify support.

In solidarity, Daisy

Daisy Cocco De Filippis, Ph.D.
