Federal regulations give schools the authority to allow a student to borrow a Federal Direct Unsubsidized Loan when the student’s parents have ended all financial support and have refused to complete and sign a Free Application for Federal Student Aid (FAFSA). Students who request consideration for the loan should read the information below and have one parent complete and sign this form. Note that this form does not allow a student to apply for financial aid as an independent student. Students must understand that they are requesting only an unsubsidized loan subject to the limits for dependent students. No other federal, state, or university need-based aid will be available, including the Federal Direct Parent PLUS Loan. **Although the Financial Aid Office may waive the requirement for parent income and asset information on the FAFSA, the student must complete and submit a FAFSA that includes all of the required student information and certifications.**

ANNUAL LOAN LIMITS PER ACADEMIC LEVEL	
ACADEMIC LEVEL OF DEPENDENT STUDENT	UNSUBSIDIZED LOAN LIMIT
Level 1 (0-23 earned units)	\$5,500
Level 2 (24 earned units and above)	\$6,500

Unsubsidized loans accrue interest from the time the unsubsidized loan is disbursed until it's paid in full. You can pay the interest or allow it to accrue (accumulate) and be capitalized (that is, added to the principal amount of the loan). Capitalizing the interest will increase the amount owed.
